IAAS European Congress 2018

2nd IAAS European Congress on Ambulatory Surgery

10-12 May, 2018. Budapest, Hungary.

www.iaaseuropeancongress2018.com

12th International Congress on Ambulatory Surgery, organised by The International Association for Ambulatory Surgery, along with CASA, a high light.

The 12th Congress was held in Beijing, China from 08th to 10th of May, 2017. It was attended by 650 delegates from all over the world. For the first time, such a meeting was being held in Asia.

We started on the 7th May, with the General Assembly meeting, which is a Day long discussion on aspects of Day surgery in different countries and what steps the IAAS (International Association for Ambulatory Surgery) is taking to develop safe guidelines for patient safety. It has Member representatives for all countries. Dr. Begani and myself, represent India on this forum. I presented the **Country Report** and our progress.

Moderating a session with my local counterpart. Had two moderating sessions during the Congress.

There are 28 member countries from all over the world which are part of the Day Surgery family. 2 members are nominated as representative from the each National Associations

The Congress is held once in two years with the European Congress on alternate years. The Indian Association of Day Surgery has been associated with IAAS since 2005. And now, a full member. That means, our members have the privilege in availing concessional registration fees at the International meetings. Also, we are able to access the e-journal of the IAAS, including their news letter and can share our experiences with the world.

Lectures were delivered presented by all the participants from India: Proctology-Dr. Begani; Advancing AS & Patient Selection for AS-Dr. Nand Kishore; Free paper: Post operative Monitoring and Discharge after AS-Dr. S. Choudhary. And Poster by Dr. M. Lodha.

Invited lecture: Session on:-Financing & cost effectiveness of Ambulatory Surgery- spoke on 'Financial restrictions in a developing country'. And, another **Invited lecture** on: 'Day Case Lap Cholecystectomy in a developing country'.

First invited Guest lecture was delivered by me in 2007, Amsterdam. It has been 10 years of International lectures, every year. We have a lot of positive changes in Day Surgery to share with the world. We are progressing slowly, but surely.
