One Day Surgery Center:

We complete 10 years of driving the concept of Day Care Surgery from this center. Projected as India's First, Stand Alone, Multi-Speciality Day Surgery Center, providing, safe and convenient surgeries, at an affordable cost.

Senior and well reputed Surgeons from General Surgery, Paediatric Surgery, Urology, Plastic Surgery, Gynaecology, Laparoscopic procedures, Orthopaedics, ENT, Onco-Surgery, all performed in this ISO 9001:2008 and FEQH (QCI) Certified, 16 bedded center, totally dedicated to Day Care Surgery.

We have now newly renovated the facility, with upgraded equipment, and still remain most 'reasonable charges', in a private set up, in South Mumbai.

With Insurance accepting Day Care Surgery for reimbursement, it is not mandatory to stay for 24 hrs in the hospital. This is a specialized Day Surgery Center, following International Protocols and safety parameters to deliver high quality surgery.

These are Major, procedures, which would require overnight Hospital stay, but, advancement in technology and anaesthesia, combined with case selection and counseling, it is possible to discharge, as a Day Surgery case, saving time and money.
