From the Editors Desk:
Dear Readers,

It is after many months that I have been able to pen some events related to Day Surgery.

Much has transpired in these months, that I would like to share with you. Happy reading!

ADSCON 2012

The 6th National Conference of The Indian Association of Day Surgery, held on the 22nd of April, 2012, in Hyderabad. It was held for the first time, in south India.

We had an extremely well thought out scientific session. Well attended. Cultural event was entertaining, with Dr. A. Y. Chari taking the lead with his melodious medical parodies.

We thank Dr. Vijay Bhasker, Organising Secretary, ADSCON 2012, and his team for the execution and sponsorship of the conference. With the able support of his Executive Committee, saw to the success of this years National Conference.

Local faculty spoke on the changing trends of One Day Surgery in Hyderabad, National speakers highlighted the possibilities of Day Care Surgery across the speciality and the International faculty shared the recent advances in the world of Ambulatory surgery. Members participation was seen in the form of several paper and poster presentations, which was very encouraging. Stalwarts like Dr. Rama Rao, Dr. D. D. Gaur, Dr. Keiki Mehta, have enriched their experiences with newer innovations, which was not only enlightening, but very reassuring to see that our seniors are abreast with the latest, inspiring us that, one is never old to learn. I share some of our memorable events with you.
